Chapter 1 by Rajat Sharma

After years for searching for The One, Resistance fighters Morpheus and Trinity finally find information about a man that could possibly be the one that they have been searching for for years. Another resistance member, Cypher, enters the Matrix first and went to the Heart O' The City Hotel to gather the final information that reveals the whereabouts of the man they have been searching for.

The film starts with a phone call from Trinity to Cypher asking him if everything was in place for their encounter with the man. During their call, Trinity notices that the call was being traced and she quickly hung up. Soon after, law enforcement arrived to the hotel to arrest Trinity for being a notorious hacker in Mega City. Three agents arrived to the scene to join the police and tell the police lieutenant that his men that are already within the hotel are "already dead".

Within Room 303 of the hotel, police officers arrived to arrest Trinity. However, Trinity put up a fight and defeated all of the police officers. She calls Morpheus and asks for an exit. Morpheus tells Trinity that there are agents coming for her and she runs off. Eventually, she reaches and exit and leaves the Matrix before Agent Smith ran over the telephone booth with his truck. As Trinity left, the three agents met up with each other and realized that they were looking for a man named Neo and decided to look for him as well.
